

## IMMEDIATE IMPLANT PLACEMENT: HANDS-ON COURSE

📅 27/09/2025

📍 Lindner Hotel, Dusseldorf, Germany

# COURSE PROSPECTUS

Dr O'Hooley & Dr Benabadji \_\_\_\_\_

# ON THE DAY

**8:30 am – 09:00 am**  
Registration and Coffee

**09:00 am – 10:30 am**  
Introduction to immediate implant placement, overview of techniques for placing an implant with immediate load or delayed load

**10:30 am – 10:45 am**  
Coffee break

**10:45 am – 11:30 am**  
Theory on immediate loading case in the aesthetic zone: Case review

**11:30 am – 12:15 pm**  
Theory on immediate in upper molar immediate placement delayed load: Case review

**12:15 pm – 1:00 pm**  
Lunch break

**1:00 pm – 2:30 pm**  
Hands-on immediate in the aesthetic zone using animal jaws

**2:30 pm – 2:45 pm**  
Coffee break

**2:45 pm – 4:15 pm**  
Hands-on immediate in upper molar immediate placement delayed load – the use of anatomical healing abutments

**4:15 pm**  
Hands-on review and Q&A

# ON THE DAY

## More about the course

This intensive one-day immediate implant course covers immediate implant placement in the aesthetics zone, premolars, molars and in conjunction with sinus work. Delegates will look at different types of delayed loading and the techniques to achieve successful results. They will observe live demonstrations and practicals on animals' heads to enhance their skills. Delegates will get the opportunity to use the latest generation of Alloplastic products with an integrated membrane to achieve predictable results. By the end of this course, participants will have a comprehensive understanding of immediate implant placement and loading techniques, enhanced practical skills, and knowledge of advanced materials, leading to improved patient outcomes and practice efficiency.

# ABOUT THE SPEAKERS

## Dr Nabil Benabadji

I qualified from the University of Mainz, Germany in 2010 and worked there for three years. I then moved to Luxembourg where I started my own practice.

### More about Nabil

---

Nabil's practice focuses on prosthetics, endodontology and oral surgery.

During his clinical years at university, he completed internships in several maxillofacial departments and oral surgical practices in Germany, France and Spain.

His focus has always been not only on implants but also on how to regenerate and reconstruct bone defects with Autografts, Xenografts and Synthetic graft materials.

MSc ●

● FCGDent (UK), BDS

● MFDS RCS (Eng)

● MFDS RCPS (Glasg)

● MAGDS RCS (Ed)

# ABOUT THE SPEAKERS

## Dr Dominic O'Hooley

I qualified from Liverpool University in 1993 and after working in hospital dentistry, I have been committed to private dentistry for over two decades.

### More about Dom

---

Placing and restoring dental implants for many years, Dominic is extremely experienced at bone grafting, sinus lifting and aesthetically challenging cases. Dominic enjoys pushing the boundaries and has been deeply involved in exploring the potential of the Southern Inverta implant paradigm. In addition to Inverta, he uses Southern site-specific implants as the core of his implant practice, often in synergy with alloplastic grafting with EthOss and novel bone manipulation techniques.

He lectures worldwide and writes extensively in the dental press, becoming someone who has been second to none in exploring forensic detail at dental regulation.

# COURSE COST: €395
